APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application,
 and do hereby grant the same, subject to the following limitations and
 conditions: This Permit is issued subject to all prior rights. It is under-
 stood that the one cubic foot of water per second herein granted
 is only a temporary allowance and that the final water right obtained under
 this permit will be dependent upon the amount of water actually placed to a
 beneficial use. A suitable measuring device must be installed and accurate
 measurements of the water placed to a beneficial use must be included in the
 Proof of such use when filed. The State reserves the right to regulate the
 use of the water herein granted at any and all times.

The amount of water to be appropriated shall be limited to the amount
 which can be applied to beneficial use, and not to exceed one
 cubic feet per second.

Actual construction work shall begin on or before July 1, 1929

Proof of commencement of work shall be filed before August 1, 1929

Work must be prosecuted with reasonable diligence and be completed on or
 before July 1, 1930

Proof of completion of work shall be filed before August 1, 1930

Application of water to beneficial use shall be made on or before

July 1, 1933. Proof of the application of water to beneficial
 use must be filed with State Engineer on or before August 1, 1933
